

Campus Life and Student Services

The Campus Center is the hub of cultural, educational, and social activities for the NJIT community. The Campus Center staff provides students, faculty and staff with a relaxing environment where they can enjoy a meal, attend a meeting, study, watch a film, play a variety of games, participate in the many cultural, social, and educational activities offered, or just socialize with friends.

Student Services

The Division of Student Affairs (<https://www.njit.edu/studentlife/>) consists of a variety of offices and departments that offer a wealth of programming, services, and resources to NJIT students. The common thread that runs through Student Affairs is the commitment to enable all students in our community to fully participate in an engaging, healthy, active learning environment during their time at NJIT.
