MGMT 316	Business Research Methods	
MIS 445	Dec Supprt Tool & Tech Mngrs	
OM 375	Business Operations Management and Analytics	
A student may choose an independent study focused specifically on Data Analytics .		

This minor is not intended for CS/DS majors. A minimum of 15 credits (including one overlapping course from your major) is required to complete this minor. Students taking a core statistics course that does not require calculus as a prerequisite (such as Math 105) are encouraged to take a calculus based statistics course (such as Math 333).
